

Our President is a savvy video veteran who still loves this business.

JULY

She likes to terrorize us with little 'getting to know you better' questionnaire e-mails (that we're sure she cackles over on the sly), but we don't care as long as we get invited to dinner.

We would love to be at her house for a gourmet meal as only she can cook it; she'd rather be on a Hawaiian beach with an umbrella drink, a trashy novel, and a cabana boy who brings her refills.

BETSY CHAPMAN - PRESIDENT

When she isn't working on bids, sales and marketing plans, she can be seen haunting the streets outside Sephora in search of Global Goddess Shangra Lights lipgloss.
