# Projectors

## Short Throw & Ultra-Short Throw

### SHARP NEC Coming Soon!

NEC's UM404WL ultra short throw LED projector is a low maintenance display solution for education and corporate customers that need up to 130" diagonal video and images at an affordable cost. With its ability to be mounted to the wall directly above the screen on which it projects, this model helps eliminate the shadows and glare typically found with standard projection systems. The UM404WL includes a 20,000 hour light source and full connectivity including RJ-45 and dual HDMI.

MAP \$2,199.00

### Coming in 2022 from NEC!

The new ultra short throw UM504HL offers brightness, WXGA resolution, 20,000 LED life, and up to 130" diagonal image! With dual HDMI, VGA, and 10W x 2 stereo audio built in, as well as wired networking via RJ45 and closed captioning, this model offers quick start and instant off, and your choice of black or white color.

MAP \$2,999.00

### Christie Captiva DWU500S Ultra Short Throw Laser Projector!

MAP \$4,135.00

The Captiva DWU500S has some significant upgrades over previous models. It has the highest light output of any Captiva projector at 5,000 ANSI lumens and its resolution has been upgraded to WUXGA (1920x1200) over the 1080p from the 400S and 410S. The DWU500S can also provide a much larger projected image, being able to provide up to a 150-inch diagonal. Black or white.

### EPSON

#### BrightLink 735Fi 1080p 3LCD Interactive Ultra-Short Throw Laser Display

Maximize engagement and productivity in the classroom with the dynamic BrightLink 735Fi interactive laser display. Providing 3,600 lumens of color and white brightness, Full HD 1080p and 3LCD technology, the BrightLink 735Fi delivers ultra-bright, true-to-life 16:9 images up to 100" and 110" 16:6 ultra-wide displays, which allows users to share content from devices and the built-in electronic whiteboard at the same time.

MAP \$2,490.00

#### BrightLink 1485Fi 5000-Lumen Full HD Ultra-Short Throw 3LCD Interactive Laser Projector

From Epson, enjoy out-of-the-box interactivity with the this 5000-Lumen Full HD Ultra-Short Throw Interactive Laser Projector. It includes two interactive pens and, with the addition of an optional touch module, supports up to six touch points. The projector features support for wireless sharing to and from the projector for up to 50 compatible devices. Projects up to 120" superwide 16:9.

MAP \$3,390.00

### Panasonic

#### PT-TW380 Short-throw projector for high impact presentations

List \$1,399.00

From Panasonic, this projector includes LCD, 3300 lumens, WXGA resolution, and 20,000 hours lamp cycle. You can project an 80 inch screen from a distance of only 2.62 feet away! Simply inserting the optional ET-WML100 Wireless Module into the USB port on the projector enables easy wireless projection from Windows PCs, iOS devices, or Android devices on which the proper firmware is installed.

## Portable Standard Throw

### Panasonic PT-LRZ35U 3500-Lumen WUXGA Projector

Its 3500 lumens of brightness and 30,000:1 dynamic contrast ratio work together to overcome light in most rooms. The 1.28 to 1.69:1 throw ratio offers a range of throw distances for focused images from nearly anywhere in the room. Composite video, two HDMI, and two VGA inputs to connect to nearly any device. 14.8 lbs.

\$1,729.00

### Panasonic PT-VMZ40U 4500-Lumen WUXGA 3LCD Laser Projector

It sports a 1920 x 1200 WUXGA native resolution for viewing detailed video, pictures, or data. The 1.09 to 1.77:1 throw ratio offers a range of throw distances for focused images from nearly anywhere in the room. 20,000 hour laser light source; 15.76 lbs.

**Only \$2,100.00! 5000-lumens option PT-VMZ50U is \$2,450.00!**

### NEC

#### NEC NP-PE455UL 4500-Lumen WUXGA Laser LCD Projector

Enjoy bright, clear images with the NEC NP-PE455UL 4500-Lumen WUXGA Laser LCD Projector. Its 4500 lumens of brightness can overcome ambient light in most conference room and classroom settings. The NP-PE455UL has VGA and two HDMI inputs, plus an 1/8" analog audio input and built-in 16W speaker that will provide audio for your video. WXGA.

**\*Limited 5-year warranty!**

List \$2,199.00

### NEC

#### NP-P525UL 5200-Lumen and NP-P605UL 6000 lumens WUXGA Laser LCD Projectors

The projector's native WUXGA 1920 x 1200 resolution is suitable for most video and file formats and will accept up to 4K UHD sources. HDBaseT, VGA, and two HDMI inputs will support various input types, plus an analog audio input and built-in 20W speaker that will provide audio for your video. They are controllable via Ethernet, RS-232, the included IR remote control, or Crestron RoomView software.

# Projector Mounts and Support

## Epson Universal Projector Mount (ELPMBPJG)

\$129.00

Allows for convenient and secure projector installation. Designed with the price-conscious, time-restricted professional in mind, it can support projectors weighing up to 25 lbs. and works with nearly all projector brands.

This Universal Projector Ceiling Mount Kit (ELPMBPJG) includes a universal projector mount, 3" (76 mm) extension column and SpeedConnect ceiling plate.

## Sanus VMPR1B Adjustable Projector Mount With Smooth Tilt & Swivel

\$154.99

The SANUS VMPR1 is a tilt and swivel ceiling mount for projectors up to 50 lbs / 22.73 kg. Independent roll, yaw and pitch adjustment settings make set up and alignment easy, and a quick-release mechanism allows servicing of filters and bulbs without refocusing or realigning. Solid heavy-gauge steel construction adds strength and stability, and hardware-hiding bezels offer a sleek, high-tech look. Versatile mount design is compatible with more than 95% of all DLP and LCD projectors on the market. Includes 7" / 17.78 cm

## Peerless PRGS Universal Projector Mount

\$106.95

The PRGS Projector Mount simplifies the way image alignment is done. The precision gear design allows exact pitch and roll image positioning by either turning two adjustment knobs, or using the tool-less option by extending the knobs to adjust by hand. Just set the precision gear to the desired position to secure it in place. It will hold its position even during projector maintenance.

## Chief VCMU Heavy Duty Universal Projector Mount 18-24" Speed-Connect Adjustable Extension Column

MAP \$436.00 (Other Length Options Available!)

This mount provides the strong support you need for mounting heavy projectors. Micro adjustments allow you to quickly achieve registration. The VCMU mount includes the universal HBU bracket that is compatible with most heavy duty projectors -250 lb Weight Capacity -Cable Management System

## Ultra Short Throw Universal Projector Mount Kit

MAP \$352.80

The WM110AUS projector short throw kit includes single stud short throw extension arm (WM110S) and Universal Mini RPA Elite projector mount (RS-MAUS) to provide unparalleled flexibility, precision and strength.

The Chief WM110AUS Short Throw Projector Arm/ Mini Elite Mount Kit is an ideal way to maximize the close-up capabilities of your short throw projector while saving room space and locating the projector above the audience.

## Christie Wall Mount for the popular Christie Captiva Ultra-short throw Projector (White)

\$220.00

The Christie® Captiva Wall Mount is designed to work with the Christie Captiva projectors. It mounts quickly and easily to a wall and allows for precise alignment of the projectors to the projection surface.

## Crimson AV JR3W SyncPro™ Universal Mount with Micro Adjustment

The Crimson AV JR3W SyncPro™ Universal Mount (white) is simply the easiest to install and precisely adjust without the use of tools. Rotate the large, easy to grip knobs to make all necessary adjustments during installation. Crimson's lead screw adjustment mechanism is unique and precise. The heavy-duty design makes it ideal for larger projectors (up to 70 pounds) and/or those with an off-center lens. The JR3W can be mounted to any 1.5" NPT threaded pipe and offers quick release mechanism that allows for easy service of the projector. The ADJR3 adapter extenders are also available to increase max mounting pattern for larger projectors.

\$179.00

## Projector Mount Security Cages from Chief

The Projector Guard Security Cages from Chief helps secure your projector from theft and protect it, for example if installed in a gymnasium.

In addition to the cage, a mount that is compatible with your projector is required (available separately; PG1-PG3 are only compatible with RPA & RPM Series. PG4 is compatible with the VCM series.)

## AG-CX10 4K Palm-sized Camcorder with NDI/HX\*

\$2,595.00

Add 4K to your repertoire with the AG-CX10 4K Camcorder! NDI/HX can allow you to jump straight to 4K. Compact and lightweight, the AG-CX10 shoots and records UHD 4K at broadcast-compatible frame rates, so it fits smoothly into your existing broadcast workflow. Additionally, it supports a full IP workflow including streaming, ROP control from an iPad or Android device, and an NDI/HX interface. Includes a 24x Leica lens.

## Panasonic AG-CX350 4K Camcorder\*

with optional wireless file transmission

\$3,695.00 MAP

- 1" MOS Sensor
- 2X Media Card Slots
- 3.2" LCD Screen
- 20x Optical, 32x Intelligent Zoom
- UHD 4K, 1080p, Variable Frame Rates
- Individual Zoom, Focus and Iris Rings
- TC, 3G-SDI, HDMI Outputs

## Panasonic AJ-CX4000GJ 4K HDR ENG Shoulder-Mount Camcorder

As the newest model in the CX Series camera lineup, the CX4000 camcorder, with its larger shoulder-mount form factor allows it to incorporate the breakthrough imaging innovations.

MAP \$25,000.00

The fusion of high-quality 4K HDR video sensor performance, ISO recording ability, IP connectivity, and field-tested reliability make the AJ-CX4000 an ideal camcorder for use in a variety of industries.

## Panasonic AW-UE100 PTZ camera the ideal 4K/60p live streaming camera

First 4K 60p/50p PTZ Camera supporting NDI and SRT in the world. Supports high bandwidth NDI for low latency transmission of high-quality 4K 60p/50p video, and SRT for high-quality and stable transmission, and also compatible with 12G-SDI output for use in a wide range of situations, from live streaming of events to studio production.

\$7,295.00

Available in black or white.

## AW-HE20 / AW-UE20 Entry Level PTZ Models

AW-HE20 HD model  
AW-UE20 Adds 4K

Call for pricing!

These models offer high image quality, wide shooting angle and high-magnification zoom to provide more comfortable communication through high-quality video images and stable transmission. Compatible with a wide range of systems such as SDI, HDMI, USB and IP, thus allowing flexible camera setup and operation, these high-quality entry models can be installed in a small place without getting in the way.

## AW-UE40/ AW-UE50 New PTZ Models

Remote cameras enhance the visual communication in a variety of applications ranging from online classes to online seminars. The AW-UE50/UE40 supports a compact design to blend in with the surroundings and operates very quietly to permit flexible use in any video shooting locations or conditions. The AW-UE50/UE40 offers high security and it is easy to install and operate for capturing stable images, so even people unfamiliar with video shooting or camera operation can utilize it. The excellent flexibility of the product simplifies wiring and operation.

AW-UE40 HDMI \$2,695.00

AW-UE50 HDMI/3G-SDI \$3,445.00

## Panasonic AW-UE80 Top-of-the line Standard PTZ Camera

\$5,500.00

The AW-UE80W/K is a PTZ camera suitable for recording events without spoiling the ambiance. The dome-shaped design minimizes "the feeling of being recorded on video" while the new direct-drive motor produces a very quiet operating sound so it won't disturb the production activities or spoil the ambiance. The camera offers high-image-quality 4K/60p resolution, wide 74.1° angle, and optical zoom with up to 24x magnification to achieve superb video image quality. The AW-UE80W/K also offers excellent stability and security during video streaming so it can be used for any type of video production.

## AW-HE145 Professional Full HD PTZ Camera

\$8,995.00

The HD integrated camera AW-HE145 realizes high sensitivity of F9/2000lx with the mounted 1.0-type MOS sensor, and can shoot beautifully with low light. The operation mechanism is the same design as the high-end model, so the operating performance of the pan/tilt and zoom is smooth and accurate, allowing you to shoot without stress. Furthermore, it is equipped with an optical 20x zoom and horizontal 75.1° wide-angle lens to realize flexible video production.

## Panasonic AW-UE150K UHD 4K 20x PTZ Camera

\$9,995.00

Bring UHD 4K quality video to your production with the black AW-UE150K UHD 4K 20x PTZ Camera from Panasonic. This pro PTZ camera outputs up to UHD 4K 60p over a variety of 4K connections including 12G-SDI, HDMI, optical fiber, and IP streaming. It features a large 1" type MOS sensor, a 20x optical zoom with a wide 75.1° angle-of-view, and PoE++ compatibility. With the v2.28 firmware upgrade, the AW-UE150K offers V-Log output, a UHD crop function in 720p, a preset on/off iris function, and more.

## Panasonic AWRP60GJ Remote Camera Controller

\$2,295.00

The Panasonic AW-RP60 is a compact, hardware-based controller for complete Panasonic PRO PTZ remote camera lineup. ... The AW-RP60 is also capable of supporting up to 200 cameras in 20 groups, manages 100 presets and comes with PoE support allowing for an easy integration.

## Panasonic Touchscreen Remote Camera Controller AW-RP150

4,495.00

Panasonic's Touchscreen Remote Camera Controller allows you to control up to 200 compatible Panasonic PTZ cameras over IP via a switching hub. Or you can control five cameras via direct RS-422 connection. The controller features a zoom/focus rocker on the joystick for pan and tilt operations, many onboard buttons, and additional controls within the 7" touchscreen LCD. It also has an SD card slot, which allows saving scene files, system settings files, and other camera settings as well as copying settings over to other cameras. The controller can be powered over Power-over-Ethernet or a 12V, 4-pin XLR power supply, sold separately.

## Panasonic AV-UHS500 4K/12G-SDI Compatible Compact Live Switcher

This feature-rich, multi-format switcher for 4K and HD productions extends Panasonic's legacy of producing high-quality, reliable switchers. With its compact, integrated body, this live switcher is equipped with many functions found in high end models and delivers 4K video production with the same operability as HD. In addition to fixed installations such as university lecture halls and corporate conference rooms, the AV-UHS500 is well suited for remote production. Designed for easy portability and simple set up it should become a favorite tool for staging and other event production.

\$18,900.00

\*These models work seamlessly with the ZC-LP record/start/stop/zoom controller from Libec! Only \$85.00!

## CORE SWX | GPTASFF-UMR20

Mount and power your AG-UMR20 while simultaneously powering your camera from one battery pack! There are 2 additional power taps for powering accessories.

MSRP \$639.00

Core SWX is a market leader in batteries and charging solutions. MediaRight offers special pricing on gold and V-Mount Core SWX models for your ENG camera systems,

## Tradition of Innovation

For over 100 years, Cooke has been at the centre of the film-making business. We've been listening to the community of which we are a part. We lead by introducing new products such as /i Technology, and we remember our success is built on a simple idea - do what the filmmaker needs.

Since 1893, Cooke offers a legacy of superior and innovative lens design and manufacture under the Cooke name that continued throughout the 20th century beginning with still portrait, telephoto and process lenses, through the development of acclaimed Cooke cine and television lenses, and continues today by Cooke Optics Limited, with award winning 35mm cine prime and zoom lenses.

## SKB iSeries Watertight Lens Case

\$230.00

The SKB iSeries Watertight Lens Case is a military-standard waterproof hard case designed to fit six cinema prime lenses. Each lens slot has a diameter of 125mm and a base depth of 120mm. The useable lid depth is 35mm yield a maximum length of 155mm per lens. There are two removable foam discs provided to change the internal base lens height to 97mm to accommodate shorter lenses. The case is sized to meet airplane carry on standards.

*Need a lens case solution for travel? We can help!*

## SONY Creative tools for the creator in you.

Since 1961, Sigma has worked towards a single, simple goal: To imagine, and develop, the technologies that will allow the attainment of the perfect image. It's evident in the collaborative design process that unites R&D, manufacturing, marketing, sales, and service. It's evident in standards requiring 100% of the lenses be analyzed by proprietary ultra-high definition sensors and approved before leaving the factory.

## TAMRON Focus on the Future

As a leading camera lens manufacturer, Tamron designs a range of high-performing products, each crafted to meet specialized needs. Tamron has Sony E Mount as well as Canon and Nikon mounts, allowing our photographers a variety of options suited to their needs. Our all-in-one lenses run the gamut from 18-200mm to 18-400mm offering a high degree of focal length control situated in one single package.

Each of our lenses is created with the photographer's experience in mind, so when you buy new Tamron lenses to fit any major camera brand, you're bound to find that they far exceed your expectations.

## FUJIFILM Value from Innovation

High performance and quality Fujinon lens lineup offers many uses, sizes, shapes and materials in various fields, including lenses and accessories for high definition TV broadcasting, especially effective in sports broadcasting and program production.

## Canon

*Get focused, with uncompromising quality! Check out Canon's complete lineup of broadcast lenses.*

Canon manufactures a variety of DSLR lenses for all your photography needs. Whether you need a Standard & Medium Telephoto Lens, Wide & Ultra-Wide Zoom Lens, Macro Lens, Tilt-Shift Lens, Telephoto & Super Telephoto Lens; Canon lenses offer some of the best DSLR lens quality.

# Create Your Perfect Camera Bundle with these Team Favorites!

**Don't forget the media!**

SanDisk 32GB Extreme PRO  
SDHC Memory Card, UHS-I  
Class 10 U3 V30, 95MB/s Read

**Team Favorite- Sandisk  
Extreme Pro 32GB  
\$14.75**

**New and Exclusive at MediaRight!**

**Most Popular Rain Covers for Medium and Large Camcorders**

Protect your cameras from the elements! The large, clear window allows easy view of controls and viewfinder, while cinch straps are able to pull tight around the openings to keep your camera dry. Two new models at MediaRight accommodate most of our Team Favorite camcorders!

**MRC-RC15 (Manufacturer SKU SA7850)  
for small and medium camcorders \$114.00**

**MRC-1 (Manufacturer SKU SA7852)  
for full ENG-style camcorders \$155.00**

## Dotworkz D2 Standard Camera Enclosure

The Dotworkz D2 Standard Camera Enclosure protects an analog or IP PTZ camera in an indoor or outdoor location from weather and vandalism. This housing works with many of today's top camera brands and has extra room for accommodating peripherals such as encoders, hard drives, routers, etc. A switchable internal mounting mechanism allows top and bottom camera mounting for versatile camera positioning and for maximizing internal space.

This housing is IP66 rated against dust, water, and salt water air ingress and features IP68 rated waterproof connections. The lower dome is impact resistant and at the same time is optically clear to ensure maximum image sharpness.

**\$352.00**

**Need a special enclosure? We have lots of options from Dotworkz! Call us- we can help.**

## Team Favorite Zoom Controllers

These controllers are the battle-tested favorites of our customers who use them every day to start, stop, zoom and focus most of the cameras you'll find in our catalogue. Best quality products, at every day great prices at MediaRight!

**Libec ZFC-L is the favorite to provide start, stop, zoom and focus for Sony and JVC end-users. Only \$89.00!**

**Libec ZC-LP is the choice to provide record, start, stop and zoom for Panasonic end-users. Only \$79.00!**

Looking for a zoom controller in your bundle? We can help! From Manufacturer exclusives, to pro Fujinon models for ENG lenses, and many brands for handheld and shoulder mount camcorders, we'll find the perfect fit for you.

## Favorite Hard Case and Camera Backpack from Tenba!

**638-715 Tenba Roadie Air Case Roller 21  
\$439.95**

Shippable, checkable and uncrushable; can withstand more than 500 pounds on top!

**637-511 Tenba Cineluxe Backpack 21  
\$285.95**

The Ultimate Airline-Compatible Road Warrior Camera Case

- Fast Doctor Bag-style opening
- Comfortable Airflow backpack harness
- International Carry-On Compatible
- Fits fully-built camera rigs

## Inexpensive and handy for the road!

**Rain-sleeves from Op-Tech**

**for those "just in case it rains" days!**

**Available in these sizes:**

- Small -fits rigs up to 4 1/2" x 8"
- Medium- fits rigs up to 7" x 18"
- Mega- fits rigs up to 8" x 25"

**Only \$6.95 per 2-pack!  
In stock at MediaRight.**

## Saramonic UWMIC9S-KIT2

UwMic9S Kit 2 Advanced 2-Person Wireless UHF Lavalier System with Dual Camera-Mount Receiver, Premium DK3A Lavaliers, Li-Ion Power, Hard Case & more!

MAP \$499.00

## Z180S ULTRACOLOR On-Camera Bi-Color LED Video Light 95 CRI

The Z180S UltraColor Bi-Color LED Light Panel features 180 LEDs with a CRI 95. Of the 180 LEDs, 90 LEDs are daylight-balance and 90 LEDs are tungsten balanced. The Z180S Bi-Color UltraColor delivers a bright yet soft beam of 1380lx light output. The high CRI LEDs allow for rich, precise color rendering and flexibility across the wide array of digital video sensors on the market today. The high CRI LEDs also offer great color blending when using natural light sources such as daylight or tungsten filaments. Comes with cold-shoe mount. Use 6 x AA batteries, or Sony NP-F style battery (see page 29 for more!)

**Special New Low Price! \$293.00  
(regularly \$369.00!)**

**Find Lenses, Lens Adapters, Cases, Filters, and Accessories  
at every day great prices at MediaRight!**

**Canon**

**FUJINON**

**SIGMA**

**metabones**

**Don't forget the batteries and chargers! Manufacturer's original models, and highest quality, money-saving OEM brands are available every day at MediaRight. We have special pricing every day from great brands like Core SWX, IDX, Anton Bauer, SWIT, Koll, and many more.**

**See Page 43 for more!**

# iSERIES COMPARISON CHART

## SUPERIOR PROTECTION

All SKB iSeries Injection Molded MIL-STD Waterproof Utility Cases are molded of ultra high-strength polypropylene copolymer resin, and feature a gasket-sealed, water- and dust- tight, submersible design that is resistant to corrosion and impact damage (MIL-STD-810G). Other standard features include a molded-in hinge, patented "trigger release" TSA-retrofitable latches, comfortable snap-down rubber over-molded cushion grip handles, automatic ambient pressure equalization valve (MIL-STD-648C), and resistance to UV, solvents, corrosion, and fungus.

## FEATURES/BENEFITS

- Lighter & 2.8x stronger than the competition
- Many interior options: empty, cubed/layered/custom foam, padded dividers
- Field-replaceable hardware: latches, handles, hinges, wheels
- Easy-open trigger latches with TSA lock options

# Cases, Bags and Covers

...and more!

**We have protective covers for all of your cameras! Call with your camera model numbers and we'll find the right cover for you!**

## Clear360 Ruck Pack \$49.95

The Clear360 Ruck Pack's purpose is clear. The transparent, see-through construction is designed for anyone who needs a durable, clear backpack to protect their laptop and belongings, making it great for schools, workplaces, theme parks, and large-scale events such as concerts and sports events. This transparent backpack is designed with durability in mind. Whether you want to expedite stadium security or need a clear bookbag for school, the Clear360 Ruck Pack will meet your needs.

**\*Add embroidery, decal or heat transfer to any bag or hard surface! We can help.**

## The New DNA Collection!

Stealth and Style Sometimes blending in is a good thing, especially when you're carrying expensive gear. The durable (and weather resistant) DNA bags let you assume the role of an everyday commuter or local, regardless of whether you're on the go in your hometown or traveling to the other side of the globe.

Tenba DNA bags include the DNA 9 Slim, DNA 16 Slim, DNA 13 DSLR, DNA 16 DSLR Backpack and DNA 16 Pro. Available in black or blue.

## Tenba 38" and 48" Rolling Tripod/Grip Case

MAP \$299.95

The Tenba Rolling Tripod/Grip Cases (Black) are hand-built cases designed to carry tripods, light stands, umbrellas, & other accessories up to 48" in length. They are made from weather-repellent ballistic nylon, with ABS walls, thickly padded bottom board to protect the contents and a lined interior. The cases have a large, full-access opening that makes it easy to load and unload the gear and triple tie-down straps that keep the load from shifting. They are transported by heavy-duty, ball bearing wheel assemblies.

38" Case MAP \$284.95  
48" Case MAP \$299.95

## Speaker Cases, Bags & Cover

Road cases, covers and bags for PA speakers. Yamaha, QSC, JBL, Mackie and more!

Gator Cases is the manufacturer of over 600 case solutions for the Audio visual, music, band and pro audio market. Lightweight, Durable, Strong Bags and Cases Backed By a Lifetime Warranty. Protect Your Expensive Equipment With Cases and Bags Built to Last.

## Digital Media Storage Cases, Safes, Racks and Cabinets

Protecting your digital information and records is crucial in the modern world. Though digital media takes many forms, all are vulnerable to common threats, so how do you keep your data safe? With Turtle Case's digital media storage cases. Our lockable storage boxes and cases are specifically tailored to all common digital media formats and designed to protect them from harm. From hard drive storage containers to magnetic tape carrying cases, Turtle Case has you covered.

## Custom Portable Server Cases for the Road- we can help!

Our all-in one turnkey case gives you a user-friendly, high-grade rolling server system on the road that you can really trust!

### Model shown includes:

- 16-space ATA shockmount rack with 2 lids, table legs, and 4 x 2 casters.
- 17" LCD/USB Notebook Keyboard with Touchpad
- APC Smart UPS
- Cisco 48-port managed switch with router

Attach your recorder to a desk or ledge, rail or pole with this kit. The clamp will attach to surfaces up to 2.36" thick. Adjustable viewing angle.

AG-HMR10: SA5631K3  
AG-UMR20: SA5632K3  
**\$145.00**

## Tablet Holder with Multiple Mounting Points

9.VB5103 \$49.99

The tablet holder is an ideal support tool for the media production environment with its multiple 1/4"-20 and 3/8"-16 tapped mounting points on all sides. It can be mounted from any side to allow peripheral equipment to be placed around it. Features a spring loaded jaw which enables easy placement or retrieval with or without a case.

## Ipad Holder with Combination Lock

SA1253 \$45.00

Mount and secure your iPad when you are on location or in a crowded environment. This mount will fit the iPad, iPad 2, iPad 3, iPad 4, and iPad Air. The durable case has cut-outs for speakers and camera. The case can mount via 1/4"-20 thread, and includes a combination lock with an 80" long braided security cable.

## Pole/Tripod Leg Mount with Ball Head

9.VP5081EK1 \$59.00

Mount a camera to a variety of objects such as tripod legs, rails, tables, and poles up to 1.9" in diameter. The mini ball head allows the camera angle to be adjusted, and it comes with a quick-release plate. Can accommodate up to 8 lbs.

## Railing/Beam Mount Kit with Articulating Arm

9.VD5089SK1 \$159.00

Securely mount a camera to a fence, rail or beam. An articulating arm allows you to position the camera for the best angle. Detach your camera quickly using the quick-release plate. Accommodates weight up to 15 lbs.

## Fluid Head Rig for Railings

9.VB5115K1 \$350.00

Attach video cameras to rails and fences with a diameter up to 1.9". The kit includes a fluid head that provides full range of motion. It can be raised from 7.5" to 15" above the rail to accommodate individual height. Accommodate weight up to 15 lbs.

**Team Favorite!**

## Laptop or Monitor Platform

IV1202 \$44.95

Made from sturdy cast aluminum, this platform will securely support any laptop or monitor while on location. Mounts to any tripod with a 3/8" mount.

## Pro-Mag Platform with Mouse Tray

IV1207 \$99.95

This magnesium alloy platform is extremely lightweight, yet rugged enough to support the heaviest 17" laptop. Its unique design accommodates a passive cooling feature. It comes with a mouse tray that will support the heaviest handed of users!

SA1438K1 \$72.00

Table-top support for small cameras. This kit creates a stable base to support small cameras, monitors, lights and more on a table or flat surface. This kit has a 1/4"-20 mount with an articulating joint. Holds up to 5 lbs.

## ALZO TELESCOPING SUSPENDED DROP CEILING MOUNT KIT

*Great ceiling solution for lights, microphones and even small cameras!*

4 section adjustable height aluminum support with a max capacity of 12 lbs.  
Minimum = 19in - Maximum = 58in  
Suspended ceiling frame clip for 1-inch T-Bar metal frame  
2 plastic T-Bar hooks for power cord management

**\$53.00**

## ALZO SHORT SUSPENDED DROP CEILING PROJECTOR MOUNT WITH SCISSOR CLAMP FOR T-BAR ATTACHMENT WITH 10" DROP

Easy to install on a suspended drop ceiling with a 1-inch wide T-Bar frame, Projector drop from the ceiling is 10 inches, and accessory extension rods can be added to lower the projector 2-axis locking tilt adjust with maximum 25 degrees pitch makes installation fast and stable  
Mount fits all larger projectors with 3 to 4 mounting screw holes weighing up to 20-pounds, but for projectors over 2 pounds, we recommend reinforcing the T-bar frame with a support wire that attaches to the true ceiling; fits Epson, Optoma, Benq, Viewsonic and most other projectors.

## Big Savings on Neo Kits from MediaRight!

The Hypercore NEO 9 Mini is a compact 14.8V, 98Wh lithium-ion battery that supports a constant 12A draw and peak draw of 16A. With this high output it can be used for virtually all applications. At only 4.7" in height and weighing just 1.4 lb, it's highly suited for mobile applications.

Kit 1 (GP-X2 charger and 2 x Neo 98 batteries)	\$798.00
Kit 2 (Fleet Quad charger and 4 x Neo 98 batteries)	\$1,952.50
Kit 3 (Fleet Quad Micro and 8x Neo 98 Packs)	\$3,510.10

(please specify Gold-mount or V-mount.)

LEADING THE CHARGE

For over 15 years Jupio has offered an extensive range of innovative power related products and accessories for the demanding consumer and professional users. Jupio offers uncompromising quality at the most reasonable price!

In addition to batteries and chargers for cameras, video cameras, power tools and drones, the range also includes flashes and video LED lights.

## Jupio PowerBox 160 US - Desktop Powerbank

\$259.00

Power for Virtually Everything: With a 154Wh lithium-ion battery and 160W pure sine wave inverter pumping out 41,600mAh, seamlessly power almost any of your electronic devices. In addition to the DC Output and USB Outputs, the PowerBox 160 also has a 160W AC Output for wall outlet plugs. The many outputs available makes the device suitable for charging and powering smart phones, tablet computers, notebooks, and televisions.

Power from the Sun: Take your charging to soaring new heights! The PowerBox 160 supports MPPT solar panel charging (requires a solar panel) for clean, rapid, and sustainable power.

## KwikBoost EdgePower

### Bundle Desktop Charging Station System

KBEP-3B3C3 \$789.95

Enjoy the convenient cordless charging of mobile devices!

The KwikBoost EdgePower Light Use Bundle includes 3 Rechargeable Batteries, 3 Clamp-On Desktop Charging Units, plus a 3-Bay Base Charging Station. Each unit offers a standard AC outlet, a USB-A charging port, and a USB-C PD charging port. You'll have enough power to charge typical laptops up to 2 times, average Chromebooks or tablets up to 4 times, and standard smartphones up to 14 times off of each full battery! Each Desktop Charging Unit can also charge a laptop and 2 mobile devices simultaneously.

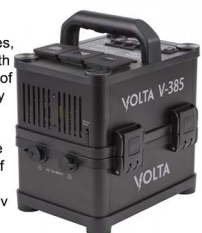

## PORTABLE SUPER POWER!

Volta V-385 Volta G500 500W Power Inverter

\$895.00

The V-385 is a pure sine wave inverter that allows you to take your studio strobes, laptop, and USB devices on location. With a 26000mAh capacity, twice the amount of the competition, you'll be powered all day long.

The unit has three AC sockets and three USB ports. The battery is removable so if you run out of power you can replace it with a fully charged one. Available in 110v or 120v.

# Presentation Solutions

## KD-PS42 *Team Favorite!*

**4K/18G Presentation Switcher with 4 Inputs (HDBT, 3x HDMI), 2 Mirrored Outputs (HDBT, HDMI), Audio De-Embed, IR, RS-232, IP, CEC Manager™. Includes Rx.**

KD-PS42 features three HDMI and one HDBaseT input which integrates natively with HDMI + Display Port wall plate, KD-X2x1WDTx (sold separately). Mirrored HDMI and HDBaseT outputs enable audience + presenter views and the HDBaseT output marries in with the included KD-X40MRx for integrating monitors or projectors up to 40m / 131ft away when the selected source is outputting 4K/UHD (up to 70m / 230ft at 1080p).

## KD-X2x1WDTx

**2x1 4K/18G 40m HDBT PoH Wall Plate Switcher with HDMI & DisplayPort, IR, RS-232. Transmitter Only.**

HDCP 2.2 compliant and supports 4K 24/25/30/60 (4:4:4) resolutions with up to 18Gbps bandwidth. 4K/ UHD signals are extended up to 40m / 131ft and 1080p up to 70m / 230ft via single CAT5e/6 cable. In addition to AV signals, KD-X2x1WDTx extends IR and RS-232 for controlling remotely located equipment. The wall-plate unit fits in a standard US dual-gang box and is powered by the Rx unit / presentation switch or Presentation Switcher for convenient installation.

## KD-UPS52

**4K/18G USB/Universal Presentation Switcher with 5 Inputs (HDBT, 2x HDMI, DP, USB-C), 2 Mirrored Outputs (HDBT, HDMI), LAN, ARC, Audio De-Embed, IR, RS-232, IP Control, CEC Manager™. Includes Rx.** KD-UPS52U also features two USB-A and one USB-B connectors, enabling connected laptops and computers to connect with web cams, USB microphones, touchscreen displays, conferencing DSPs, and more. Mirrored HDMI and HDBaseT outputs enable audience + presenter views and the HDBaseT output marries in with the included KD-X100MRx for integrating monitors or projectors up to 100m / 328ft away when the selected source is outputting 4K (up to 150m / 492ft at 1080p).

## KD-X4x1WUTx

**4x1 4K/18G 100m HDBT PoH Wall Plate Switcher with 2x HDMI, DP, USB-C, USB, LAN, ARC, Audio De-Embed, IR, RS-232, IP Control, CEC Manager™. Transmitter Only.**

Features push-button or TCP/IP switching selection of the desired source and is KD-App Ready. Key Digital CEC Manager™ enables basic controls of the connected display for a simplistic all-in-one integration system. HDCP 2.2 compliant and supports 4K 24/25/30/60 (4:4:4) resolutions with up to 18Gbps bandwidth. 4K/UHD signals are extended up to 100m / 328ft and 1080p up to 150m / 492ft via single CAT5e/6 cable. In addition to AV signals, KD-X4x1WUTx extends USB 2.0, IR, RS-232 for controlling remotely located equipment.

## KD-BYOD4K

**4K KDPlay Wireless Presentation Gateway for PC, Mac, iOS, Android and Chrome OS devices. Full and Multi-Presenter Viewing Modes. Screen Mirroring via LAN or WiFi with built-in Antenna. Power over Ethernet, HDMI and Analog Audio Output, USB Keyboard, Mouse, and Annotation Control.**

Multiple attendees may cast simultaneously, encouraging teachers and students, trainers and participants, all to collaborate regardless of their connection type and without the hassle of wires. KD-BYOD4K features annotation, moderator management and touchscreen/mouse control.

## KD-S4x1X

**4x1 4K/18G HDMI Switcher with L/R & Optical Audio De-Embed Output**

KD-S4x1X enables multiple video sources to connect to a single video display while L/R analog and Optical audio de-embed ports may be used to feed audio of the selected source into amplifiers, DSPs, or sound bars. KD-S4x1X supports all SD, HD, VESA and Ultra HD/4K video standards with HDR header information included in a variety of 4K EDID handshakes. The switchers feature push button and optical IR switching, status-monitoring LEDs, and support of HDR10, HDCP 2.2 and 4K.

## KD-VW4x4Pro

**4x4 Outputs Video Wall Processor, supports Seamless Matrix Switching**

KD-VW4x4Pro is a cost effective video wall processor designed to allow customers and integrators to use standard displays and digital signage for their video wall needs. This processor supports seamless switching and features eight different user-selectable video wall modes with many horizontal and vertical layouts. These modes include: four horizontal: 1x4 rotated, 1x4, 1x3, and two sets of 1x2; and three vertical: 4x1, 3x1, two sets of 2x1, and typical 2x2 setup.

## KD-MLV4x2Pro

**4x2 HDMI VGA HDBaseT Seamless Presentation Matrix Switcher and Multi-View Tiling Processor with Audio De-Embed, POH. Includes 1 Rx Extender.**

KD-MLV4x2Pro is a seamless multi-format video matrix with UHD/4K resolution up-scaling, multi-view window processing, audio de-embedding, independent audio from video matrix selection, and HDCP 2.2 compliance. The HDMI and HDBaseT output are independent in full-screen and quad screen modes. KD-X222PO Rx HDBaseT extender receiver is included and powered from the matrix.

## KD-MS4x4G / KD-MS8x8G

**4x4 / 8x8 4K/18G HDMI Matrix Switchers, with Independent Audio Switching, Balanced/Unbalanced Audio, Audio De-embedding of Analog L/R/PCM**

KD-MS4x4G and KD-MS8x8G are 4K matrix switchers with support of 18Gbps signal bandwidth and HDCP 2.2 for routing and distributing 4/8 HDMI source signals to 4/8 displays. KD-MS4x4G and KD-MS8x8G feature 4/8 analog and digital audio outputs which may be independently controlled to follow the HDMI output selection or separately switched. Supports all SD, HD, VESA and 4K video standards up to and including 4K 18G and 1080p. All UHD/4K EDID handshake files include HDR header information.

# Webcam Solutions

## VDO360 2SEE 1080P USB 2.0 WEBCAM

Achieve sharp, clear images and vibrant sound for video conferences, virtual meetings, and more. The VDO360 delivers a resolution of 1080p at 30 fps. Video is captured in a 75 degree field of view, while the quad microphone array picks up sound within a 26' radius!

Only \$124.00

## ConferenceSHOT AV packages

Ideal for small to medium sized conference rooms, choose color power cord, speaker and microphone options to build the perfect ConferenceSHOT AV bundle for your space.

ConferenceSHOT integrates a 10x zoom PTZ camera and audio conferencing mixer into a single USB 3.0 device, so you can easily connect microphones and external speaker to the camera. The CeilingMic 2 bundle is easy to install and allows simple plug and play functionality.

Bundle shown includes PTZ camera, ceiling mic, AV speaker, mounting hardware and cabling. \$2,685.00

## The Meeting OWL Pro 360 Degree 1080p Smart Video Conference Camera

The OWL Labs Meeting OWL Pro 360 Degree 1080p Smart Video Conference Camera combines a 360° lens with eight omnidirectional echo-cancelling microphones and a 360° speaker system. It is your video conferencing eyes and ears when connected to an in-room computer. The single lens provides a full view of the room without any moving parts. Just plug it into your computer and you're ready to use it. In addition, using Wi-Fi to connect your Meeting Owl Pro to the internet or your mobile device allows you to join the Smart Meeting Room ecosystem. With panoramic 360 degree video and 8-mic array, everyone within an 18' radius can be seen and heard. \$999.00

## Owl Labs Whiteboard OWL Camera

Easily view your whiteboard no matter where you're located with the Whiteboard Owl. This dedicated whiteboard camera pairs with your Meeting Owl Pro and features automatic whiteboard enhancement and content capture so remote participants don't miss a thing. The Whiteboard Owl enables simultaneous viewing of the whiteboard along with 360° views of the room so discussions are inclusive and immersive.

One of the features of the whiteboard camera is that it renders the whiteboard presenter transparent, thus allowing an unobstructed view of the material on the board itself. \$719.00

## HuddleCamHD 20x SimpliTrack2 Auto Tracking Camera

Provides automated camera control and allows you to track presenters or objects up to 50' away. The camera features a 20x optical zoom lens with a 3 to 59° field of view range. The camera video is transmitted via 3G-SDI or IP streaming, and a 1080p60 fps on SDI, DVI, and USB 3.0. There is also a separately available option to upgrade the firmware for compatibility with an NDI network.

The SimpliTrack2 allows you to remotely manage multiple SimpliTrack systems via its software and control multiple cameras using the same software on a single network. \$2,999.00

The Webcam is made to make video conferencing and recording easier than ever. This webcam has been designed to include features that you will find in much more expensive webcams at a price that anyone can afford. The Webcam is a plug and play USB 2.0 webcam built for hassle-free cloud-based video conferencing applications like Skype for Business and Zoom. But it's also flexible for use with high definition live streaming on social media websites such as YouTube or Facebook. This high definition 1080p webcam features a wide-angle 104-degree field of view. It's a perfect fit for small meeting rooms and personal office spaces. The high-quality optics on the Webcam includes automatic controls for exposure, white balance, and even wide dynamic range. **Only \$89.00!**

**Add pan-tilt-zoom capability and an IR remote with the HuddleCam HD Pro! Only \$295.00**

## HuddleCamHD Go Conference Camera

The HuddleCam HD Go Conference Camera is a portable HD conference camera that you can carry in your bag. It allows you, or a small group, to join a meeting with others in separate locations. Featuring 1920 x 1080 resolution, a 110° field of view, and an omnidirectional microphone, the HuddleCam HD Go connects to your computer through a USB 2.0 connection. The connection to the computer is required to run the Go camera, as it both receives its power and sends its data over the USB cable.

\$299.00

## Wireless USB Camera & Microphone Solution - the HuddlePair from HuddleCam!

The HuddlePair camera features a wide 106 degree field of view capable of capturing multiple meeting room participants even in close proximity to the camera. The HuddlePair features a 1080p video camera and is ideal for high definition video conferences and recordings. The included wireless speakerphone features an omnidirectional microphone designed to provide a 360 degree pick up range for your meeting spaces. With 256 ms echo cancellation and intelligent noise cancellation up to 16-decibel levels, your meetings will sound crystal clear.

\$499.00

**Now you can "tele-produce" virtually! Capture high-quality video, with lighting and and crystal clear wireless audio in the safety of your own space, with our road-ready MediaRight EXCLUSIVE WEBKIT!**

Includes everything you need in a portable tele-production kit for a 2-light set-up!

- Huddlepair wide-angle (160 degrees) HD Webcam & wireless, battery powered speakerphone duo
- Tripod for Camera
- 2 x Camera Lights with Stands
- Batteries, Charger and Hard System Case

**All this for only \$1,150.00!**

# Collaboration and Conferencing

## Allow 4 devices to connect to your conference room display with the Conference Room Video Hub - HDMI® and USB-C® from Cables2Go!

No drivers or apps needed. The video hub allows two HDMI and two USB-C laptops or tablets to be connected to a single HDMI output. The source selection switch allows you to manually select the input, or if you prefer auto-switching, the hub connects to the last who plugged in. White LED lights over the connected inputs conveniently indicate which source is currently selected. MAP \$246.99

## Jabra Speak 510 USB & Bluetooth Speakerphone

Hear and be heard on your conference calls! This speakerphone features a 360°, omnidirectional microphone with echo cancellation to help ensure clear conference calls with multiple participants in the same room. Its rim has volume, call, and mute controls alongside a programmable smart button. The speakerphone connects to your computer through its built-in USB Type-A cable or you can pair with Bluetooth-compatible devices for wireless connections. Multiuse technology allows for up to two simultaneous Bluetooth connections, with one active audio connection at a time, for added convenience.

The new 'PressIT' Wireless Presentation System is a plug-and-play wireless presentation system designed to eliminate the need for cables and facilitates sharing content between different PCs. Attendees simply connect the transmitter button to their PC's USB and HDMI ports and press the button to share their content on the room's display. No network setup, software or driver installation is required. PressIT allows up to four presenters at a time to display visual and audio content.

**Stem audio**

### U-Shaped Conference Room Reference Design

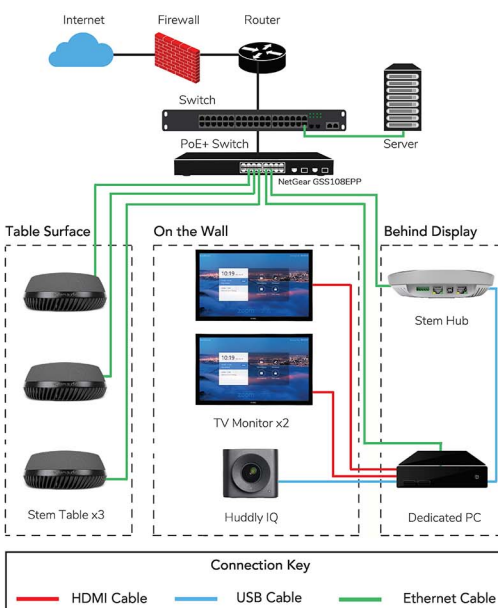

This reference design highlights just one of a few ways you can configure Stem into your U-shaped conference rooms. In this design you can see three Stem Table's paired with Stem Hub and Control. Each device is connected directly to your network via a single Ethernet cable. Stem's ecosystem approach gives you the freedom to mix and match devices to create your own customized setup. With Stem you can design your rooms to fit your needs.

Mix and match all Stem devices for a customized audio solution.

Set up, control, and manage your rooms and devices on your network.

Stem solutions are 100% compatible with your favorite conferencing platforms.

### How It All Connects

## MediaRight and STEM Audio Exclusive!

**Take your fully-equipped meeting room on the road! Conference in from anywhere with a complete, easy-to-use set up, and run meetings from your personal laptop or device!**

The portable MediaRight system from Stem Audio includes 3 tabletop portable speaker phones- each one containing 9 high-performing microphones!

Add the "brains of the operation"- the Stem hub, which allows up to 5 speakers to connect to each other...that's a capability of 45 microphones in one high-performing, portable ecosystem!

**The all-inclusive kit includes:**  
**Stem Audio table mic (x 3) and hub, a Netgear PoE switch, the 2SEE personal collaboration webcam, CAT6 and HDMI cabling, SKB hard system case. (Display and PC/device are not included.)**  
**All this for only \$2,995.00!**

(Add \$150.00 for the Huddlecam Pro webcam option!)
